## Insulating Additive for Paint Makes Your Paint INSULATE!

Hy-Tech Insulating additive for paint is sold in easy to use pre-measured packages and in Bulk form for larger applications. The pre measured packages contain the proper amount of material for adding to your own paint and come in 1 Gal, 2 Gal and 5 Gal sizes. With Bulk Packs you simply measure out the proper amount (measuring cup included Free) and add it into your own paint. Buy in bulk; use what you need now and save the rest for future use. Kept dry the ceramics will last indefinitely.

One Gallon Package: (Contains Enough Insulating Additive for 1 Gal of Paint) \$11.95  
(Total with shipping and handling: **\$21.15**)

Two Gallon Package: (Contains Enough Insulating Additive for 2 Gal of Paint) \$23.00.  
(Total with shipping and handling: **\$32.97**)

Five gallon Package :( Contains Enough Insulating Additive for 5 Gal of Paint) \$49.75  
(Total with shipping and handling: **\$61.08**)

# 12 Small Box: (Contains Enough Insulating Additive for 12 Gal of Paint) \$114.00.  
(Total with shipping and handling: **\$129.60**)

# 30 Medium Box: (Contains Enough Insulating Additive for 30 Gal of Paint) \$270.00.  
(Total with shipping and handling: **\$299.96**)

# 60 Large Box: (Enough Insulating Additive for 60 gallons of paint.) \$495.00  
(Total with shipping and handling: **\$541.90**)

**Flame Guard** Fire Retardant can be added to any order for an additional \$10.00 per gallon Package, take number of gallons you are treating with Insulating Additive x \$10.00 and add to Total

**Acri-Flow** Acriflow is a special polymer resin that when added to any paint increases that paints flow properties and durability. Latex and acrylic paints can now be reduced for better brushing and leveling while Increasing the paints chemical properties. Your paint will now last longer, be far more durable and apply much easier.

Qt: \$9.95+ Shipping ~ 1 Gallon \$34.95+ Shipping ~ 5 Gallon \$155.95+ Shipping
